FLEX-6300 SDR Transceiver in mint perfect working order. It was used for 3-4 hours after opening the radio from the original box. It has the latest software and it Antenna Tuning Unit (ATU) with Front Handle Kit. This sales include all accessories that comes with it from Flexradio company. The reason am selling this pretty radio, I have already order for Flex 6700. Am selling for \$2050 with shipping and insurance. Weight: Approximately 10 lbs. / 4.5 kgs. from non smoking home.
